Attendance Policy

1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school
- We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of The Education Act 1996
- Part 3 of The Education Act 2002
- Part 7 of The Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013
- This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

3.4 Class teachers

Class teachers are responsible for recording attendance daily, using the correct codes, and submitting this information to the school office.

SIMs registers are to be completed by 9.00am and 1.10pm

3.5 School Business Manager

School Business Manager will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents to the headteacher in order to provide them with more detailed support on attendance

3.6 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9.15am on the day of the absence and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

3.7 Pupils

Pupils are expected to:

- Attend school every day on time and ready to learn

4. Recording attendance

4.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the morning session of each school day and at the start of the afternoon session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 9.00am on each school day.

The register for the morning session will be taken at 9.00am and will be kept open until 9.15am.

The register for the afternoon session will be taken at 1.00pm and will be kept open until 1.10pm

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9.15am or as soon as practically possible by calling the school office.
(see also section 7).

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school will ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence after 3 consecutive days of illness. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance

If a child is absent for a period of 10 days (20 sessions) within a 13 week period, without a valid reason, we will refer the matter to Educational Welfare.

Safeguarding

If a child who is subject to an EHCP, a child protection issue or a cause for concern, is absent without

any valid reason been given, the Head Teacher reserves the right to contact any external agencies involved including Children's Social Care.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents/carers are requested to present an appointment card in advance of the appointment.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Parents/carers are requested to complete a *Absence from School for Exceptional Circumstances Request Form* in advance of the planned absence

4.4 Lateness and punctuality

A pupil who arrives before the register has closed (before 9.15am, before 1.10pm) will be marked as late, using the appropriate code

A pupil who arrives after the register has closed (after 9.15am, after 1.10pm) will be marked as absent, using the appropriate code and will incur an unauthorised absence mark.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact other local schools, the police or social services.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

4.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels

- Each term at parent's evening
- At the end of the academic year

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'.

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The Head Teacher cannot, in law, authorise school absence purely for the reason of a family holiday

A child who has more than 5 days (10 sessions) of unauthorised absences in 1 academic year will automatically be referred for a fixed penalty notice for each subsequent period of absence.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office or website.

The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- Service personnel returning from a tour of duty abroad where it is evidenced the individual will not be in receipt of any leave in the near future that coincides with school holidays.
- Where an absence from school is recommended by a health professional as part of a parent or child's rehabilitation from a medical or emotional issue.
- The death or terminal illness of a person close to the family.
- To attend a wedding or funeral of a person close to the family.
- Where there are exceptional and unforeseen circumstances that fall outside of the above, the Headteacher agrees to consult with the principal education welfare officer prior to any authorisation being given to the parent.

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

At Burton Pidsea Primary School, we recognise that children are sometimes ill and so celebrate attendance in line with National expectations:

Attendance policy summary is shared with parents each academic year; updates are shared in school's newsletters

Attendance is shared with parents as part of parent's evening

Good attendance (at least 95%) is celebrated in half termly assemblies

7. Attendance monitoring

Attendance is monitored on Friday afternoon each week by the SBM.

Children with a reducing % attendance figure will be monitored.

Children with attendance below 95% will be sent Attendance Letter 1.

If attendance does not increase, Attendance Letter 2 will be sent requesting a meeting with parents/carers.

If attendance does not improve, Attendance Letter 3 will be sent requesting a meeting with parents/carers that includes starting a formal attendance plan.

If attendance falls below 90% (persistent absence), Educational Welfare will be notified.

If parents/carers fail to engage support offered by school, Educational Welfare will be notified.

The Attendance champion will hold termly meetings with the named Educational Welfare Officer to discuss children of concern.

7.1 Monitoring attendance

The school will:

- Monitor attendance weekly to identify families who may need early help and support

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will compare attendance data to the national average and share this with the governing board.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- Provide termly attendance reports to class teachers to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school

Severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Follow Attendance Letter procedures to ensure parents are aware of the support available.
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

8. Children Missing Education (CME)

In the case of a child missing education (CME), the school will make all reasonable efforts to locate the child/ren as required by the current DfE guidance.

For further information see ERYC Children Missing Education (CME) guidance & procedures

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually.

At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
- CME policy
